

REMARKS

The foregoing amendments to the specification are being made to place the application in better condition for examination. The material from the Abstract was taken from the as-filed International PCT Application. No prohibited new matter is believed to have been introduced by entry of the above amendments. A favorable action on the merits is respectfully solicited.

If there are any other fees due in connection with the filing of this National Stage Application, please charge the fees to our Deposit Account No. 50-0573. If there are any questions connected with the application, the Office is invited to contact the undersigned representative.

Respectfully submitted,
